The Red Devils - Omar Olgeirsson, Julius Sigurjonsson, Throstur Ingimarsson and Hermann Larusson - are the winners of the Teams' Tournament. They started the afternoon by losing their first match against Brantsma. After that, they had a very strong final run. They won round 11 by 25-1 and the last match by 25-5.

Baleal (Manuel Oliveira, Carlos Pimenta, Jorge Cruzeiro and Paulo G. Pereira) started the afternoon with a defeat against Arno. They won the following round by 21-9 against Broek. On the third round they met The Red Devils and it didn't go so well for the Portuguese. They lost by 5-25 and, with it, their chances to get first place. On BBO there were nearly 1000 viewers watching this match.

Answer to Madeira Bridge Quiz - Number 7

How will you play 3NT when West leads the two of spades to East's ace? (East will return the ten of hearts).

You have plenty of tricks for your contract, provided you can reach dummy's diamond winners. Suppose you follow with a spade spot card from your hand at Trick 1. You will never be able to reach the dummy! When you lead your other low spade at some stage, West will step in with the jack to keep you off the table.

To make the contract, you must unblock the king or queen of spades on the first trick. By keeping both your spot cards in the spade suit, you guarantee that you will be able to cross to the ten of spades later. You win East's return, rising with the ace if he switches a heart, and play the ace and king of diamonds. You continue with queen and another spade. West rises with the jack of spades on the third round of the suit and he cannot do you any damage in the heart suit; your queen acts as a second guard there. On any other return, you will win and cross to the ten of spades to enjoy dummy's three diamond winners.

The editors wish thank David Bird and Carel Berendregt for their priceless help on making these Daily Bulletins.
