Pairs 2

By Ron Tacchi

At the start of the final session of the pairs, I chose a table numbered one so as to start with Board One. At my table East/West soared too high to Four Diamonds and failed by one trick for a poor result. Then:

Board 2. Dealer East. N/S Vul.

<p>♠ 9 7 3 ♥ Q J 8 4 ♦ 10 ♣ J 9 8 5 3</p>		<p>♠ A Q 10 8 6 5 ♥ K 6 ♦ Q 9 2 ♣ K 4</p>	<p>♠ K 2 ♥ 10 9 7 2 ♦ J 6 5 3 ♣ 10 7 2</p>

—	—	Pass	1♣*
Pass	2♠	Pass	3♦
Pass	4♦	Pass	4♥
Pass	4♠	Pass	4NT
Pass	5♣	Pass	6♦
All Pass			

This board illustrates Terence Reese's dictum that 6NT is nearly always a better bet in a pairs competition as does David Bird in his book *Winning Duplicate Tactics*. Theoretically Six Diamonds is a better contract than Six Spades as that fails to a diamond ruff, but that defense was only found twice in twenty-three instances of the spade slam. Six Diamonds was only worth 15% whereas Six No-trumps was worth 72%.

On Board Three North played in a calm Two Spades and made a valuable overtrick when East/West decided not to take a second club ruff.

Board 4. Dealer West. All Vul.

♠ 10 7 5 4 ♥ 9 6 2 ♦ 9 2 ♣ 10 9 6 5		♠ Q 9 6 ♥ A 5 ♦ 8 7 6 5 3 ♣ K 7 4

This contract was not a sparkling success, going for 800 after a heart lead and continued forces. I must confess that, as South, I would not have ventured Three Diamonds, if at gunpoint I had been forced to find a bid then either another double or 2NT for the minors. Then you would probably come to rest in Three Clubs for a good score as opposed to a near bottom.

Board 5. Dealer North. N/S Vul.

When West elected the fourth best of her longest and strongest declarer was savvy enough to play dummy's nine and now the defense would need to be perfect to hold declarer to eight tricks but it was not to be the case and so 65% to North/South.

Board 6. Dealer East. E/W Vul.

The Two Club bid was a strong hand and the Two Diamond was a forced relay. I got the impression at the table that the auction was careering out of control and that West just bid 6NT to bring the auction to a halt before it soared to the eight-level. Declarer was not tested when North lead the ace of spades and continued with another, though she tested herself as for some reason did not cash the fourth and fifth spade and relied upon a red suit being kind - she could not even misguess this situation as both suits were behaving.

Board 7. Dealer South. All Vul.

<p>♠ A Q 9 6 5 4 3 ♥ 7 4 ♦ A Q 6 2 ♣ -</p>		<p>♠ J 7 ♥ Q J ♦ 10 9 7 5 ♣ K Q 10 9 2</p>
		<p>♠ K 10 ♥ 9 6 5 3 2 ♦ K J 4 3 ♣ 5 3</p>
		<p>♠ 8 2 ♥ A K 10 8 ♦ 8 ♣ A J 8 7 6 4</p>

A terrific double by North and a well-judged pass by South gave the leaders a cracking result.

South led the two of clubs and when dummy's eight was allowed to hold declarer played the king of diamonds. South won and played the eight of clubs, North winning and returning the four of diamonds. Declarer put in the nine and South won with the ten and switched to the king of spades. Declarer could not avoid the loss of a heart and two more diamonds for two down, -300 and a maximum, 154-0.

West led the two of diamonds and when declarer played low from dummy East made the natural, but potentially fatal play of putting in the nine.

Declarer won with the jack and played a heart to the queen and continued with the king of hearts. When East pitched a spade (it does not help to throw a club) declarer parted with a club and West took the ace of hearts and switched to the nine of clubs, covered by the king and ace. East returned a spade and declarer took three rounds of the suit, putting East on lead. When she exited with the king of diamonds declarer could claim a vital overtrick, +430 and 146.9-7.1.

If East puts in the five of diamonds at trick one declarer will win and play a heart. To be sure of defeating 3NT West must rise with the ace of hearts and switch to clubs, East taking dummy's king with the ace and returning a club. With no entry to dummy, declarer cannot come to more than eight tricks.

That would be a defence to be proud of.

Board 10. Dealer East. All Vul.

North led the five of clubs and declarer won in hand and played a spade to the ace and a spade, South going up with the king and returning a club. Declarer won in hand, ruffed a spade and played the jack of hearts.

Had she overtaken it, cashed another top heart and played on clubs she would have scored an overtrick, but when she ran the jack North won, returned a club for South to ruff and ruffed the spade return for a miraculous one down and 141.8-12.2.

West certainly had his bidding boots on, starting with an under strength overcall and then coming again with a takeout double. When 3♠ was doubled South apologised as he tabled the dummy, perhaps feeling he should have doubled 3♣.

Declarer won the club lead with dummy's ace, pitched a diamond on the king and played a heart, dropping the king when West went up with the ace. The defenders continued with two rounds of spades followed by a club and declarer ruffed, drew the outstanding trump ran his spades and took the last three tricks with dummy's hearts for 152.0-2.0.

North led the ace of clubs and later berated himself for not doubling first. He thought EW were cue bidding. It cost a couple of points, 152.0-2.0.

Only one other pair attempted 7♥.

North led..... the ♦J.

Four pairs attempted to prove that 6NT is the right spot at pairs. Three were quickly disavowed by a club lead but the fourth got the ten of spades from South and with the help of a faulty discard took all the tricks and 152.0-2.00.

The leaders had only one round below average on route to winning the session and the title!

The tournament director will give you an envelope with your starting position. Write your team name on the envelope and then open it. Your whole team should sit down at the same table. Inside you will find a blue entry form that you should fill in carefully. Make sure we can read your names correctly (make sure to use capitals so that you don't get upset later...) and also tell us if you have played the pairs Tournament or not.
