Bulletin 5

The Open Teams Commences

67 teams started on the odyssey that is the Open Teams. Force Majeure shortened the evening session to just two rounds of the Swiss movement.

In Session 1 Porto had a 20-0 victory over 5 Club Party Band and in the second session both Ice Jaks versus Invicta and Lara versus Duque de Paus inflicted a similar defeat.

After two sessions **Ice Jaks** topped the leaderboard with 34.09 VPs while snapping at their heels is **Palma**, a half point behind. The third placed team, less than half a point behind, is **The Maltese Falcons**.

The opening match of the Open Teams being played on BBO

This Sporting Life

There were several cases of scoring adjustments brought to the attention of the Tournament Directors, some of them at their own expense, none more so than when Antonio Campos Palma & João Vide Barbosa, who were lying in third place reported that the first board had been miscored and that the top they had been awarded was in fact a bottom. This cost them seven places in the standings, moving them from third to tenth place, sportsmanlike behaviour and should be applauded as such. There were other cases of pairs reporting miscores in favour of their opponents. A new set of standings is published within this bulletin.

Open Pairs – The Winners

Ceri Pierce

The Open Pairs was won by Madeira's own Carlos Luiz and his partner Nuno Paz with impressive scores of 64.44%, 62.45% and 61.82% in the three sessions. In second place with session scores of 58.05%, 62.79% and an enormous 67.23% were Latvians Maris Purgailis and Janis Romanovskis.

Session honours go to the following pairs:

Session 1

Florian Weiss - Louise Selway	67.35%
Arjen Salari - Hans van Ommeren	64.93%
Henrik Wegnelius - Bjorn Wenneberg	64.77%

Session 2

Dennis Bilde - Simon Cope	68.45%
Alexander Smirnov - Sibrand v Oosten	65.66%
Kasper Konow - Lars Villinger	65.47%

Session 3

Sebastian Reim - Guido Hopfenheit	67.82%
Maris Purgailis - Janis Romanovski	67.23%
António C Palma - João Vide Barbosa	64.45%

(Editor's note - this report was written before the score changes were announced.)

It was a close-run race between 1st and 2nd place in the end, with all to play for on the last board. However – let us start at board 1. Our winners and runners-up had mixed results on this deal.

Board 1. Dealer North. None Vul.

♠ Q9853		♠ AJ102

♣ KQ103		♣ 865

♣ AJ42		♣ 97

Paz - Luiz (N/S) defended 3♥ and took it two off for a pleasing 123 from a possible 156 matchpoints. Purgailis – Romanovski (also N/S) meanwhile, bid on to an unsuccessful 4♠ which their opponents had little trouble doubling for two down and only 4 matchpoints.

On this board, 21 pairs went off in a doubled contract of some description. Two North-South pairs however, managed to make 2♠ doubled. This

cannot be touched assuming the diamond finesse is taken the right way, which is likely once East has shown up with the ♠AJ. Declarer will lose four spades (yes – just the four trump tricks) and the ace of clubs.

Board 2. Dealer East. N/S Vul.

♠ 10		♠ AQ98
♥ K98		♥ AQJ1073
♦ QJ9874		♦ A10
♣ K105		♣ 3
♠ J743		♠ K652
♥ 4		♥ 652
♦ 2		♦ K653
♣ J987642		♣ AQ

Board 2 saw both of our pairs do well, each collecting 137 / 17 points for playing in 3♦ making on a hand that belonged to East West.

Board 3. Dealer South. E/W Vul.

♠ 108		♠ A63
♥ KJ764		♥ A
♦ A10		♦ K965432
♣ A984		72
♠ KJ9752		♠ Q4
♥ Q83		♥ 10952
♦ Q8		♦ J7
♣ J3		♣ KQ1065

Board 3 was a routine 4♠ bid and made by East-West for our runners-up but a brilliantly tactical bid of 3♣ was made (and written up in Bulletin 4) by our eventual winners, which is where they played. It was a different matter for eight East-West pairs who made a doubled major suit game on this board – always a satisfying result (for declarer, not the opponents). One East-West made 4♠ doubled +2 for 1190. I can only assume that North-South kindly declined to cash their ♣AK, making only the ♦A, thus converting a top into a bottom.

XXIV Madeira Bridge Festival

Several hours later, the last two boards saw fortunes shift in the other direction but Paz-Luiz by now had just enough of a buffer to retain their lead.....

Paz - Luiz doubled 3♦ and saw it roll home after the ♥6 lead. To defeat Three Diamonds, South will need to avoid a heart lead and subsequently underlead his AJ of clubs to win three club tricks, a diamond and a spade for one off. Once a heart is led, declarer can pitch a club on the ♥A and the opportunity to get a near top slips through your fingers and instead nets a measly 20 matchpoints. Our runners-up fared better on this board with their opponents bidding on to Four Diamonds. Nine tricks were made but this time giving Purgailis - Romanovski a healthy 84 matchpoints for Four Diamonds down one.

The gap was closing.....

On the final board of the competition, Paz - Luiz, in circumstances beyond their control, fared poorly when their opponents stopped in Two Spades making, for 49 matchpoints to the good-guys. There was little that North-South could do. Meanwhile the auction at the Purgailis - Romanovskis table must have been more spirited and East-West landed in Four Spades which went two off. This netted 125 matchpoints for North-South.

It is probably very frustrating for North-South to note that had they doubled 4♠, they would have gained 147 matchpoints instead of 125, which would have just nudged them into 1st place by a teeny tiny margin of three matchpoints! So close and yet so far. I apologise for pointing this out, but it did make for an exciting finish for the Bulletin staff watching the results come in on the last few boards.

But - hearty congratulations and well played to both pairs - who knows what the result would have been had there been 25 boards in the set!

Availability of Bulletins

Normally bulletins will be available at breakfast in the Ocean Restaurant of the Hotel VidaMar. Copies will also be found at the Welcome Desk and below the results screen. A short while before events commence in the Congress Center they will also be available there. The one place you will not find a bulletin is in the Bulletin Office as we will have distributed all of our copies as above.

If West's 1♥ showed spades then North's 1♠ was for takeout. I can't be sure about the meaning of East's double – perhaps it promised three spades.

West led the ♣K and continued with the five, declarer ruffing in dummy and playing the ♦Q for the king and ace. A diamond to the jack saw East ruff and exit with a club and declarer ruffed in dummy and played a diamond, West winning with the ten and returning another club. Having ruffed in dummy for a third time declarer played a fourth diamond and East ruffed, at which point declarer claimed eight tricks, +110.

Declarer ruffed in dummy, cashed the ♦8 and claimed, +670 and 11 IMPs

eight, king and ace and declarer played a diamond to the ace and the ♣Q, West winning with the ace and switching to the ♠4 for the king and ace. If West plays a second spade at this point declarer will be booked for two down, but with no way of knowing about the location of the ♠10 West cashed the ♥Q and continued with the seven, declarer winning with the jack and playing the ♦7, West pitching a spade. When declarer continued with the ♦8 West pitched a spade and that was fatal, declarer ruffing in dummy, playing a spade to the queen and another spade ensuring two more trumps tricks, +840 and another 12 IMPs.

West must ruff the ♦8 with the ♣9. Declarer overruffs in dummy and plays a spade to the ace, but he is forced to ruff whatever he plays next with dummy's ♣8 and lead into the defenders split tenace of the ♣K ♣7.

Had 3♣ redoubled gone two down that would have cost 1000 and 15 IMPs.

It was a heavy defeat for one of the favourites.

Open Teams Round 1

Plan B Bridge comprising of Zeeberg - Brandgaard - Poulsen - Lahrmann faced **Rigainvites** whose team is Romanovskis - Purgailis - Andersone - Romanovska.

In the Open Room, West's defensive 2♦ bid, although not actually a six card major as described, worked well and bought the contract for East-West and they notched up eight tricks without breaking into a sweat and 110 for East-West. Had North-South played in 1NT, they would have gone two off on a club lead and 100 for East-West, the defence collecting five clubs and three aces. So, swings and roundabouts as they say.

In the Closed Room, once North had opened a club, North-South found their way to the winning Two Spades spot, which also notched up eight tricks for 110 the other way - first blood to Plan B Bridge with a handy part score swing of 6 IMPs.

(which I assume was the signalled suit, but maybe I am wrong), cashed the ace of diamonds and exited a diamond to present West with eight tricks.
