Yes – There is a Free Lunch

The Saturday Lunch

The moving of the start time on the Saturday along with the delightful lunch provided by the organisers was a great success. No one I talked to had a bad word to say about it.

After nine rounds in the Teams Championship **The Untouchables** are in the lead. Second place is held by **Team Sara Silva** and **Astro** have the third spot. Less than 2VPs cover the first three positions.

A list of the Warm-Up Pairs prize-winners are on page 2 and the list for the Open Pairs is on page 10. They may collect their prizes from the Tournament Office between 10.00 to 20.30 on Sunday. All Teams prize-winners will also need to visit the Tournament Office to collect their rewards. To collect your prize you must present a photo identity. Only the trophies will be presented during the Closing Dinner.

On the day that the guns fell silent to mark the end of hostilities in the First World War exactly 100 years ago today this was a title that could not be overlooked.

It also happened that in Rounds 4 & 5 the matches I followed were not exciting, the first of them producing a score line of just 7-1 with five flat boards.

South led the ♠3 and declarer won with the queen and played a diamond to the king, continuing with a spade for the ten, jack and king. South exited with a low heart (at this point anything should be good enough) and declarer won perforce with dummy's ace, played a club to the ace and a diamond for the eight and jack. North's heart return was ruffed in dummy and declarer ruffed a diamond, cashed the ♠A and played on clubs, South eventually ruffing and cashing the ♥K for one down.

Once the ♦K holds declarer can cash dummy's ♥A and then play to ruff two hearts in dummy. The fall of the ♥KQ mean that ten tricks cannot be prevented -indeed, if declarer judges the clubs to be 3-3, he can forget about a second heart ruff and play four rounds of clubs pitching the ♦5 which will result in eleven tricks.

South led the ♥Q and declarer won with dummy's ace and played a spade to the queen and king, South continuing with the king of hearts and a heart. Declarer was now assured of ten tricks, +630 and 12 IMPs.

In one of the morning seminars we discussed how weak you could be when responding to an opening bid. Many years ago I wrote a 'Bols Bridge Tip' entitled 'Don't be afraid to Respond, suggesting that you should be happy to respond with very weak hands, and idea subsequently supported by Larry Cohen in The Law of Total Tricks. I'm willing to bet that none of the forty or so players who attended that particular seminar omitted to respond where South started with 1♦, thereby avoiding the loss of 11 IMPs.

This was one of those occasions when silence was definitely not golden.

Saturday is a real test for the teams as they have to play six matches between 11.30 and 20.30. That's about the same length of time it takes to play back-to-back Baseball games.

In Round 6 Gladpack faced Team Sara Silva (do you think we should have a prize for the best team name?)

The first board was one of the most interesting we have seen so far:

East led the ♥J and declarer won with dummy's ace, pitching a club, played a diamond to the ace and ran the ♦Q throwing a heart from dummy. He then threw a club on the jack of diamonds and West ruffed and exited with a heart, declarer ruffing and playing a spade. East won with the ace and exited with the ♥9 (the ♦K is a killer). Declarer ruffed, played a club to the queen, pitched a diamond on the ♣A ruffed a club, ruffed a diamond and played a club ensuring a trick for the ♠J, +420.

West had given declarer a chance by returning a heart rather than a spade, as if he leaves trumps alone and takes the club finesse and then cross-ruffs (using the ♠K to ruff a diamond) he will come to ten tricks.

East led the ♥J and declarer won with the ace pitching a club, cashed the ♦A, and the ♦Q throwing a heart and then threw another heart on the ♦J, West ruffing and exiting with a spade. East won and returned a heart (as mentioned before, the ♦K is the card to defeat the contract).

Declarer ruffed, took the club finesse, cashed the ♣A and ruffed a club. He then ruffed a diamond and ruffed a club, but lost the last two tricks to West's ♠Q10, a loss of 10 IMPs.

In the four-card ending declarer needed to cross to dummy with the ♠K and then play a winning club. If West ruffs with the ♠Q declarer throws the losing diamond away.

Look closely at the trump pips. They are such that as long as declarer does not allow anyone to score a cheap ruff only three trump tricks will be lost.

Having taken a discard on the ♦Q, declarer can take the club finesse, then cross-ruff, using the ♠K to ruff the third diamond before ruffing the fourth round with the ♠6. West can overruff with the ♠10, but declarer has already scored eight tricks and the ♠J987 are worth two more. This relies on East holding the ♠A, but the opening lead and the bidding more or less make that 100%.

This line, not playing trumps at all, will work even when East holds a doubleton ♠A.

Another 10 IMPs went astray when in one room 3NT went one down for -100 while in the replay the contract was 6NT going five down (the bidding is unsuitable for inclusion).

West led the ♥9 and after winning with the king declarer played a spade to the queen and king. West switched to the ♦5 and declarer won with dummy's ace, played a spade to the ace, cashed the ♥A and tried the ♦K. West might have ruffed that, but he pitched a heart and then threw another one as declarer ruffed a diamond with dummy's last spade. The king of clubs was covered and ruffed and declarer cashed the ♠Q and exited with a spade. West took the nine and jack and cashed the ♥J for one down, and another 10 IMPs.

When West showed a minimum East was not minded to continue. When North led a heart, declarer won and immediately ducked a club and then discarded one on a heart and was able to ruff one in dummy and claim twelve tricks.

A solid five-card major auction and when East discovered that West had two aces and the queen of trumps as well as a diamond control took a shot at the slam. The lead was a club. Declarer took this with the ace and immediately took three rounds of hearts ditching a losing club from dummy. He then ducked a club to North who got off lead with a trump to South's jack and declarer's queen. Declarer now ruffed a club

and when he found that they broke 3-3 he was home. Not the best slam ever but there are some other distributions that allow declarer to succeed and most of them depend on the jack of spades being doubleton. Bringing home the slam was worth 13 IMPs.

I am prepared to wager a small beer on that not being the actual auction and that there was a problem and one or two lines have been lost into the ether, but be that as it may, the contract is a good one – not as good as 6NT though. Once declarer discovered clubs to be 3-2 he could table his hand conceding a spade.

I can find no clues as to the convention card but it appears they were unable to get past 3NT but twelve tricks were trivially available. So one slam to both teams but with the vulnerability only 10 IMPs were awarded.

At the end of the match Od Moze do moze had triumphed 27-18 or 13.45-6.55 VPs.
