Optional Friday Excursions 8th November

Option A: Catamaran (limited availability)

A relaxing trip along the south coast of Madeira, with a good chance of spotting whales and dolphins in all their magnificence and in their natural habitat. (3 hours) Returning to hotel at 13.30

Option B: South-West Tour (lunch included)

Ribeira Brava – our first stop will be at this beautiful town on the South coast, named for the wild river which flows through it. The town boasts cafes, promenades, a market, a church and a fort.

Paúl do Mar – a fishing village known for its excellent surfing conditions and beautiful sunsets. Soon afterwards we stop at Jardim do Mar, a pretty seaside village surrounded by cliffs and adorned by the colourful gardens of its small houses.

Calheta – a charming place with beautiful scenery and one of the few sandy beaches on the island.

Ponta de Sol – a picturesque village on the sea, where we will break for lunch.

On the return journey we stop at Cabo Girão, the highest sea cliff in Europe, 580 metres high and famous for its suspended glass platform. Arrive back at the hotel at 16:00.

Option C: Levada Walk 'Sugar Route'
(lunch included) coach leaves hotel 09:00

Ribeira Brava – our first stop will be at this beautiful town on the South coast, named for the wild river which flows through it. The town boasts cafes, promenades, a market, a church and a fort.

The walk along the Levada Nova begins in Tabua, a village near Ribeira Brava. It is a pleasant walk, within most people's capabilities, and offers a view of this part of the island from a different perspective.

The beautiful landscapes are one of the main features of this walk. Between valleys and mountains, walkers can delight in the magnificent views over the villages. Small towns and plantations make up a unique landscape. Lunch at Ponta do Sol, a picturesque seaside village.

On the return journey we stop at Cabo Girão, the highest sea cliff in Europe, 580 metres high and famous for its suspended glass platform. Arrive back at the hotel at 16:00.

Please bring good walking shoes or boots, a warm coat (in case of low temperatures in the mountains) and a bottle of water. Grade: easy; Distance: 6.2 km; Duration: approximately 2½ hours.

Open Pairs Session 3

Ceri Pierce

Today I settled down to watch a few slam hands – there were at least seven floating around, according to our finessing friend, this afternoon and they generally make much more exciting reading than a part-score. We all love a slam. I did not have to wait long for two to come along.

Board 21. Dealer North. N/S Vul.

♠ A74	♠ 983	♠ —
♥ Q2	♥ 75	♥ AKJ109843
♦ KQ63	♦ A874	♦ J109
♣ AKQ6	♣ J854	♣ 32
		♠ KQJ10652
		♥ 6
		♦ 52
		♣ 1097

Along comes the 6th slam of the session. At the table I watched, a straightforward bidding sequence which ended in 6♥ (but not before 6♠ inadvertently hit the table for a stomach-churning moment but was quickly flicked aside (sticky bidding cards)).

West	North	East	South
–	Pass	4♥	Pass
4NT*	Pass	5♥*	Pass
6♥	All Pass		
4NT	Roman Keycard Blackwood		
5♥	2 keycards		

The play was also straightforward, after the spade lead, declarer cashes the major suit winners and North is inexorably squeezed in the minors. To hold declarer to 12 tricks it is necessary to cash the diamond ace at trick one.

The question is, should you convert to 6NT at matchpointed pairs? Partner has two keycards and a spade lead might make life awkward if partner's two keycards are ♦A and K♥, or ♦A and ♥A with ♥Kx off side..... it depends on whether you want to play bridge or poker. I will look at the results and report back tomorrow.

Board 23. Dealer South. All Vul.

♠ Q92	♠ 8	♠ K76
♥ K8643	♥ A9752	♥ J10

♣ 852	♣ 963	♣ KJ1074
		♠ AJ10543
		♥ Q
		♦ Q952
		♣ AQ

The last slam of the day could easily have been passed out in a part-score. N/S did well when I watched this hand, reaching 5♦ and almost reaching the cold 6♦.

West	North	East	South
–	–	–	1♠
Pass	1NT	Pass	2♦
Pass	3♦	Pass	3♠
Pass	5♦	All Pass	

North did well to bid 3♦, but later in the auction if they can find a 4♥ bid on the way to 5♦ then South may well bid six for an excellent board.

The play to make 6♦ is routine, winning the club lead and ruffing spades twice to set the suit up before drawing trumps. Well done to anyone who bid 6♦.

The Slamometer

Mark Horton

The last session of the Pairs Championship is one to set the pulse racing, with many deals in the slam zone. I have picked four of them:

Board 5. Dealer North. N/S Vul.

W N E S

West	North	East	South
–	–	1♥	Pass
1♠	Pass	3♦	Pass
3NT	Pass	4♦	Pass
5♦	Pass	6♦	All Pass

That might not be the best sequence, but it is where you would like to play.

Say South leads a spade. You take the ace and now have an opportunity to do something clever by playing a heart to the ace and a heart (it is often a sound strategy to develop the side suit first). When South shows out but cannot ruff in front of dummy, you have a blueprint for all thirteen tricks.

I predict this will happen maybe 3 times.

Board 9. Dealer North. E/W Vul.

Pass	5♥*	Pass	6♠/7♠

By no means the only way to go - responding 2NT
will get the popular vote.

Those looking for tops might risk bidding 7♠, even though they know the spade queen is missing.

I'll go for 4 pairs in 7♠, the rest in 6♠.

Board 16. Dealer West. E/W Vul.

If East leads a high diamond declarer must win in dummy and cash the ♠AQ. When East follows he is known to have at best one heart, so declarer continues with the ♥K. When East discards it is necessary to change tack and play the ♣Q. Three rounds of the suit see dummy ruff, and the ♥2 comes next. West has to play an honour and declarer wins and plays a heart to the eight.

Suppose South is in 6♠ doubled and West leads

a heart, East ruffing and returning the ♠J. Declarer must win in hand, cash the ♦A, ruff a diamond, play a heart to the king and play another diamond. It won't help West to ruff, so he discards a club and declarer ruffs, cashes the ♠K and the ♥A, ruffs a heart and plays the ♠Q. West has already been squeezed into coming down to two clubs and one heart and now East, looking at ♦K ♣1097 has no good move - a classic non-simultaneous double squeeze.

Anyone who manages that should report immediately to me in the Bulletin Room!

I'm not expecting a rush.

Board 21. Dealer North. N/S Vul.

West	North	East	South
—	Pass	4♥	Pass
4NT*	Pass	5♥*	Pass
6♥	All Pass		

I predict everyone will bid 6♥.

If South leads the ♠K declarer wins with dummy's ace pitching a diamond and plays eight rounds of hearts, squeezing North in the minors for all the tricks.

That will happen often - at least 50% of the time.

I'll also guess that at least one pair will bid and make 7♥!

Play The Card You Are Known to Hold

Ron Tacchi

In payment for recharging his iPhone I persuaded Dennis Bilde to give me a story. His hand was ♠xx ♥Kx ♦x ♣AKQJ9653. First to speak all vulnerable he opened 1♣, cannot be criticized, as my editor is wont to say. The bidding continued as follows

West	North	East	South
Bilde	Woodruff	Cope	Shieff
1♣	Double	1♥	4♠

At this point West produced the actual ♣5 card from his hand and put it on the table, much to the amusement of those present. This was followed by two passes and South pressed on with 5♦. Having come this far, West realised he had the ♣6 card in his hand and so placed it on the green baize to even louder merriment and it ended the auction, as N/S did not find a red card in their bidding box. The contract failed by the obvious three tricks.

The full hand was as follows:

Board 20. Dealer West. All Vul.

The PredictoMeter - Jumbo Sized

No news to report on Lift front – mainly due to much less lift travel as fear factor has taken hold.

Mark's prediction for Board 4 was that only a handful would take 11 tricks in a heart contract.

Board 4. Dealer West. All Vul.

♠ J1053		
♥ 6		
♦ 10965		
♣ J852

♣ Q96		♣ AK743
	♠ A874	
	♥ K732	
	♦ KQ43	
	♣ 10	

Everyone played in game and nearly three quarters of the pairs played in Four Hearts. Of these about half made the contract on the nose while the rest split 50-50 failing or making an overtrick. On sixteen occasions the contract arrived at too high a level, thirteen times in slam and three times at the five-level; none of these was successful. The other seven pairs played in 3NT or 5♣.

On Board 5 Mark said no one would make ten tricks in no-trumps on a non-diamond lead.

Board 5. Dealer North. N/S Vul.

♠ J832		
♥ A2		
♦ Q1086		
♣ J108		
♠ AK9		♠ Q765
♥ K764		♥ 108
♦ KJ5		♦ A7432
♣ AK2		♣ Q9
	♠ 104	
	♥ QJ953	
	♦ 9	
	♣ 76543	

Excepting four pairs, everyone played in 3NT and 14 times declarer made ten tricks when the lead was not a diamond. Of the 34 times when a diamond was the lead of choice only on six occasions did declarer not take more than nine tricks. On

this occasion the prediction cannot be considered accurate. Did Mark underestimate the declarers' ability or was the defence wanting? My money is on the defence.

For Board 18 Mark proposed that declarer would always make more than nine tricks in a no-trump contract.

Board 18. Dealer East. N/S Vul.

♠ QJ2		
♥ AJ5		
♦ A102		
♣ 9832		
♠ K9875		♠ 643
♥ 973		♥ 108
♦ K9		♦ 6543
♣ A106		♣ QJ54
	♠ A10	
	♥ KQ642	
	♦ QJ87	
	♣ K7	

25 times the contract was 3NT and only once was it held to nine tricks. Unsurprisingly the majority favoured playing their 5-3 heart fit but they fared badly in the matchpoint battle as the 'no-trumpers' nearly always scored as many or more tricks than those playing in a suit. I think we can score this one as a success for Mark.

Board 19 brought the rather precise prediction that three pairs would bid and make 6♣

Board 19. Dealer South. E/W Vul.

♠ 5		
♥ A6		
♦ K863		
♣ KJ9875		
♠ AJ74		♠ 63
♥ 10942		♥ KQJ853
♦ Q4		♦ 952
♣ 632		♣ 104
	♠ KQ10982	
	♥ 7	
	♦ AJ107	
	♣ AQ	

The most popular contract was 4♠ which was played 28 times and never failed, the second most popular contract of 6♦ succeeded ten times and

failed nine. With 15 attempts, 3NT was next on the list and made eleven times. The slam in clubs, spades and no-trumps was each bid twice and all failed save one of the 6♣ contracts. So the prediction of 6♣ being bid three times was not far off but the success rate was not as good as the prediction.

The World Online

Every bridge player in the world is about to get the chance to become the World Online Champion in a competition that will run from March to November 2020 and win at least US\$100,000.

A New Bridge Magazine (www.newbridgemag.com) will be publishing all the information next month, but meanwhile the organisers are running a test consisting of two daylong tournaments, one played at IMPs the other at matchpoints.

The Funbridge WBF Robots site - www.funbridge.com - will host both contests on Thursday 12 December 2019.

Entry to the tournaments is free, and the top five players in each of them will win a one-year subscription to Funbridge.

In addition, the next 250 players from each event will win 10 WBF Robot Tournament entries.

WBF Robot Master Points will be awarded and NBO's may decide to offer their own master points.

In addition, Funbridge and the WBF are sponsoring three new IBPA awards for play in online events: Best Declarer Play, Best Defence and Best Bid hand. These awards will carry the same cash value to journalists and players as the regular annual IBPA awards. You can write up your candidate deals yourselves and submit them directly to the editor of the IBPA bulletin at: ibpaeditor@sympatico.ca, or ask a journalist to write up a deal for you.

You can download FUNBRIDGE for free at: www.funbridge.com and follow the instructions there to play or simply to try it for free.
