A grand slam of pleasures

The temperate climate, natural beauty and luxuriant landscapes of Madeira combine with the cosmopolitan attitude and the hospitality of its people to provide unforgettable experiences to everyone who comes here. It is in this wonderful setting that the Madeira Bridge Association, the VidaMar Resort Hotel and the XXVI Madeira International Bridge Open hope to welcome you.

What will be waiting for you? The usual warm welcome, varied social programme, and the obvious must-have: a pleasurable game. Come and enjoy good bridge at a hotel that measures up to the occasion. The rooms at the VidaMar Resort Hotel Madeira all have sea views, and natural light fills the public areas and the playing-rooms. The Resort offers many leisure and sports facilities including restaurants, bars, indoor and outdoor pools, a gym, and the sensational Thalasso Sea Spa. It has direct access to the sea, too.
