Wednesday 5 November

Bulletin 2

A Room with a View

Today saw the first session of the Open Pairs and the first session in our new playing area in the Ocean Club next to the swimming pools, with the most magnificent view across the Atlantic. It's a bit of a hike to get there, but well worth it.

Taking the lead after today's session are Michał Wróbel and Wojciech Bak (Poland) on 68.97%, followed closely by Christian Bakke (Norway) and Thor-Erik Hoftaniska (UK) on 68.89% and coming up from behind in third place on 65.56% is Owen Lien and Christian Jolly (USA).

However it is early days and as we all know, anything could happen....

Good luck all in Session 2.

Reminder: If you are playing in the Ocean Club at the pool level, please **set off 30-45 MINUTES before the start of play** since it requires two lift journeys to get down there. You will need to show your Identity Badge at the bar to obtain a discount. No badge, no discount.

Madeiran Dinner & Entertainment: O Lagar

Places are still available for Wednesday night's dinner at the restaurant **O Lagar**. If you wish to join us for this unforgettable experience, please book at the Welcome Desk no later than **16:00 on Wednesday**.

Coach leaves VidaMar at 20:15.

Open Teams: Update

By Monday we still had several pairs and individuals who had not registered in a team or given us any information about their intentions, despite several reminders. We could not wait indefinitely for players to find the ideal teammates: the tournament is full so we needed to know how many teams we have in total, and to make sure that everyone who had booked and paid for the Open Teams could play.

Since we have no space to set up extra tables, there is no possibility of adding new players*. We have therefore assigned any pairs or individuals who had not already arranged team-mates as follows:

- Individuals with no partner have been matched with the most compatible other player.
- Pairs have been matched by level and, where possible, nationality.
- Some teams of 6 have been formed in order to allow everyone who had booked for the Teams to play in the event.

If any player has a strong and justifiable objection to the team we have arranged, we will consider making adjustments. Otherwise we ask for players' tolerance, both of our arrangements and of their designated team-mates.

Please ask at the Welcome Desk for details of the team we have arranged for you, which in a few cases is still provisional.

*In case of illness, or if a player withdraws for any other reason, we may be able to add players. Priority will be given to those who already had reservations for the Open Pairs.

Alerting Regulations

The Madeira International Bridge Open has adopted the **EBL regulations on alerting and announcing**.

- Do not announce any calls (there will be no penalty if a player announces, but it is not necessary to do so).
- The following classes of calls should be alerted:
 - . Conventional bids. (Natural bids are not alertable, even if they show an unexpected range or number of cards e.g. Mini No Trump, 4-card majors.) BUT Prepared Club (2+ cards) is alertable.
 - . Bids which have special meanings or which are based on, or lead to special understandings between the partners. (A player may not make a call or play based on a special partnership understanding unless an opposing pair may reasonably be expected to understand its meaning, or unless his side discloses the use of such call or play in accordance with the regulations of the sponsoring organisation.) See Law 40(B).
 - . Non-forcing jump changes of suit responses to opening bids or overcalls, and non-forcing new suit responses by an unpassed hand to opening bids of one of a suit. (In other words, if a bid is unexpectedly non-forcing, it must be alerted.)

• Do NOT alert the following:

- . Doubles (any meaning).
- . Any No Trump bid which shows a balanced or semi-balanced hand, or suggests a No Trump contract.
- . Any call at the four level or higher, except on the first round of the auction, when conventional bids must be alerted. (The first round of the auction starts with the first bid, excluding Passes.)

Nevertheless, players must respect the spirit of the policy as well as the letter.

The EBL Alerting Policy may be found at https://www.eurobridge.org/regulations/systems/alerting-policy/.

Convention Cards

Every pair must have a completed convention card. You may bring your own (WBF or your national standard format – EBU, FFB, ACBL etc.), or use our simple convention card, which can be filled in in a few minutes for scratch partnerships.

If you are playing an unusual or artificial method and do not have a completed convention card, we may require you to play a simple system until you have completed a convention card.

It would be a courtesy to inform opponents of your No Trump range at the start of each round, but this is not compulsory – there will be no penalty for forgetting. We also ask that if you are playing an unusual system, you give a brief description to your opponents at the start of the round, especially if they are inexperienced players.

Permitted Systems

The Madeira International Bridge Open has adopted the **EBL Category 3 policy on permitted systems**.

- Highly Unusal Methods (HUMs) are not permitted.
- Yellow-sticker systems are not permitted.
- If you are playing an artificial system such as Precision or Vienna or any other unexpected method, you must inform the opponents at the start of the round or match.

Experience the best of Madeira on this guided tour! We begin at Ribeiro Frio, where you can visit the trout farm and enjoy the beautiful Miradouro viewpoint, followed by a short hike along the Balções Trail. Next, we head to Santana to see the iconic traditional Madeiran houses. Then enjoy a delicious lunch at the Quinta do Furão Hotel where you will have an incredible view. Afterwards we will visit the stunning Faial Miradouro before heading to Pipa for a taste of the island's traditional Poncha and a short, breathtaking coastal walk.

If the winds are favourable, we'll turn off the engines and let the breeze carry us. This unforgettable adventure is something everyone should experience at least once in their life.

What to bring: sunscreen, beach towel, swimming costume, warm jacket.

Cooling Down In The Warm Up

Ron Tacchi

A third pairs event, a third different partner. Yet another young lady. For small pieces of silver I shall impart to more youthful men the secret of charm as to how to achieve this feat. This time it was Ceri Pierce who is also part of the bulletin team. So as to minimise the volume of toner required and effort in proof reading and laying out this masterpiece I shall only mention the deals on which we had a fortunate result. It will also inhibit me from giving a diatribe on the iniquities of match-point scoring – I feel my blood pressure rising at the mere thought of it.

Board 9. Dealer North. E/W Vul.

This was our fifteenth board and I can safely say that at this point the scorer was not being greatly

troubled by our efforts. I decided that attempting to play 'normal' bridge was getting us nowhere I decided that a Pass might be against the field and perhaps give us an above average board. Ceri opened with One Heart and West essayed Two Clubs and I now bravely entered the auction with Two Spades. After some time in the tank, I saw the 3NT card appear opposite whereupon I immediately corrected to Four Spades, as the Hog would say I have a duty to protect partner.

West	North	East	South	
	Me (Ron)		Ceri	
_	Pass	Pass	1♥	
2♣	2♠	Pass	3NT	
Pass	4♠	AllPass		

As it happens 3NT is a make but on accurate defence there are only nine tricks. I was fortunate enough to receive a club lead which I deftly took with dummy's ace. The jack of spades held the second trick and now with trumps kindly splitting 3-3 I had twelve tricks after conceding a trick to the ace of hearts. That gave us 91%, even if the defence had found their heart ruff I would still have made eleven tricks for 77%. The best defence is an initial diamond and they would then collect three tricks and hold me to 58%.

Board 19. Dealer South, E/W Vul.

By this point in evening, we had adapted our system so that all invitational bids were game forcing. When East decided on a diamond lead, I was onto a good thing. It ran round to the curse of Scotland, the nine of diamonds (if you do not know why it is the curse of Scotland, Google it) and with trumps 2-2 I was not hard pressed to take eleven tricks. Surprisingly this netted 81% as there is always the overtrick available. However, 28 pairs played in a heart part-score whilst another 26 only took ten tricks. So, my advice is to adopt the Tacchi-Pierce method of game forcing invites.

Board 25. Dealer North. E/W Vul.

On picking up the North hand I had visions of using some two-suited overcall and perhaps even play the contract in a major. If you had offered me odds of me playing the contract in diamonds, I would probably have refused the bet. On the lead of the king of hearts I won and took three rounds of diamonds and then exited with a heart on which West discarded a club. East switched to a club, ducked in dummy and West took his king and cashed his master trump. The defence was now less than optimal and let me make two major-suit tricks and so my contract and an amazing 89%.

I will not trouble the reader with more tales of our derring-don't but suffice it to say that Saint Balthasar was not smiling upon us but we were also the architects of our own doom.

IntoBridge Competition

<u>IntoBridge.com</u> is once again visiting Madeira Bridge Festival and bringing special prizes and gifts!

Special Prizes From IntoBridge

- Best Played Hand anything brilliant that happened at the table
- Worst Played Hand we are not just looking for bad hands, we know you have plenty of them! The hands we are looking for involve some good planning and intentions, but due to unfavourable circumstances, failed dramatically.

Bidding, declarer play, and defence all qualify. Please, nominate yourself, your partner, or an opponent by submitting the hand to the Bulletin team (Mark Horton or Ceri Pierce), located at the far end of Tower 1 (not too far from the hotel reception of VidaMar)

The prizes include special plaquettes and a complimentary one-year subscription to IntoBridge.

Hands from any of the tournaments in this year's festival are eligible. Don't be shy, submit your exciting hands!

Masterclass III

Mark Horton

I watched a few deals from the Warm-Up Pairs. Although they were not especially exciting, there were a few that contained points of interest:

Board 11. Dealer South. None Vul.

Would anyone now bid 3NT with East's cards? It looks far fetched, but it looks like you have seven tricks and on a good day partner will provide the missing two.

On this occasion, even though you have to lose a diamond you cannot avoid making 3NT.

The pairs who did bid 3NT scored heavily!

Board 14. Dealer East. None Vul.

If North falls into the trap of leading a spade, (its probably right at 1MPs, but debateable at Pairs) declarer can win in dummy, play a heart to the ten, a club to the king, a club to the eight and then cash winners, keeping two spades and a diamond. If North fails to discard the •A declarer can exit with a diamond for 12 tricks!

That happened once, only 198/2 as one pair lost 500 in 2♠ doubled.

Scoring +460 (which is what happened at the table I was watching) was worth 189-11.

Board 21. Dealer North. N/S Vul.

Imagine East leads the ♣J.

If you win in dummy and play the ♥J you are in a strong position. If West covers you win, return to dummy and play a low diamond. As the cards lie you will take 12 tricks, worth 172-28.

However, there is a tempting trap.

Suppose East has led the ♣J from a suit headed by the ♣J109?

Now winning the opening led in hand and playing a club to the eight is a possibility.

Hard luck if you did that!

Q & A Dealing Software

Every player 'knows' that the hands are manipulated by the directors to fit their bidding system the least. And that they get the opponents they would prefer to avoid. If you would like to keep thinking that, please do not come on Thursday at 11:00 to the Selvagens playing room, because there will be an Ask Me Anything session about bridge software for organizing tournaments by one of your directors, Hans van Staveren, who has written quite a bit of this sort of now widely-used software.

He will, if you like, also tell a bit about the history of bridge and computers, and about the sort of things that went wrong.

Your Directors

JOSÉ JÚLIO CURADO loint Chief TD

In October 1996 José Júlio decided that he wanted to know the Laws of Bridge. Two years later he was invited to direct the first edition of this tournament, with Rui Marques. He liked it so much that he kept coming

back, and in 2005 moved from the Portuguese mainland to Madeira. By the end of this 12-day week, you will understand why.

JEANNE VAN DEN MEIRACKER

Hailing originally from the Netherlands, Jeanne is a top international tournament director who has recently returned to Europe following over a decade directing in the United States. In a previous existence she was a medical analyst.

This is her first appearance at the Madeira International Bridge Open, and we very much hope she will enjoy it as much as our other directors appear to (after all, they keep coming back).

DIARMUID REDDAN

Diarmuid is an Irish Tournament Director, promoted in 2022 to NBO International Director, and also directed at the Europeans in Dublin in 2012. He has represented the Contract Bridge Association of Ireland in the Camrose

Home Internationals, and has been NPC to various Irish teams (his most recent being the Irish Mixed Team in Madeira in June 2022). His other interests are golf and rugby.

FREDERICO PALMA

Another former footballer, Frederico is from Lisbon, where he directs at the bridge centre and in tournaments. He has two young daughters.

ZENNICA HAMMAR

Experienced National Director in Sweden (who lives all the way up north), Zennica is eager to get training for international tournaments and is very happy to join the team here in Madeira. A true people manager she will help with the big Scandinavian crowd.

MARC van BEIJSTERVELDT Joint Chief TD

This will be Marc's 8th year directing in Madeira, his favourite bridge festival. He has directed all over the world, and says that although all have their pluses and minuses, Madeira is exceptional. As well as directing in World and

European championships, from 1991 to 2023 he worked at the Dutch Bridge Federation, where he organised national competitions and the Ruitenboertoernooi simultaneous (which once had more than 17,000 pairs participating). He also supports TeamNL in organising their travel, hotels etc.

SARAH AMOS

Sarah began her TD career in Wales, where she is Chief Tournament Director and still runs many events. She joined the EBU TD panel over 20 years ago and runs all types of bridge events all over the UK, from club games to home internationals.

She loves the variety, along with the chance to meet a huge range of different personalities and levels of bridge player. Sarah has two daughters: Ruth, who lives and works in Shetland; and Rachel, who teaches bridge online.

JAKUB (KUBA) KASPRZAK

Now in his second year at our tournament, Kuba is an international director, on the TD panels of both the EBL and WBF. From Gdansk, Poland, he is married with two small children.

HANS VAN STAVEREN

Hans returns to join the directing team after a brief absence from our tournament. Author of many bridge-related computer pro-grams, he has his own consultancy after a career in the IT industry. He kindly allows us to use his hand-generator security program.

PEDRO ÁLVARO RIBEIRO

Pedro hails from Oporto. He has been directing regularly in National tournaments since 2014. This is his second appearance as a Director at the Madeira International Bridge Open. He also likes to play and was the NPC

of Portugal's team at the Chairman's Cup in Helsinki in 2022 and of the Portuguese Open Team at the European Championships in Herning in 2024.
